

## Love your cats, but hate your smelly litter box?

Say goodbye to that awful odor forever with Katie's Multi-Cat Kitty Litter.

We know you. Relaxing at home with your furry children, watching them chase a toy or a laser light as you sip a cup of tea – life just doesn't get any better than that.

## The only downside to your feline domestic bliss is that nasty smell wafting from your litter box.

You've

tried all sorts of products, from various kitty litters to aerosol sprays to re-designed litter boxes, but still the foul odors persist.

Katie's Multi-Cat Kitty Litter employs a patented technology to stop cat urine odors. Our litter controls bacterial growth and deactivates the enzyme that forms ammonia. The result? That unpleasant cat box aroma is gone. Not masked or muted – eliminated.
